2020 AGM, Saturday 21 January

The much-postponed 2020 AGM was held in January via Zoom. The proposal to hold this meeting remotely was agreed after some discussion. The revised Constitution was also passed not without debate. The two remaining motions, giving permission to apply for Charitable Incorporated Status from the Charity Commission and its Scottish equivalent, were agreed. A fuller account of the AGM will appear the April 2021 Newman Journal.
